Flights resume from Libya after strike - KMPH Fox 26

Author : ecxmlrpc

Date : October 3, 2012

Please help us write short article summaries for a news and information site. The question section below contains a link to an article published on the web. Your task is to write a short summary of that article. We will combine your summary with a link to the full article. The short summary you write will allow our readers to decide if they want to read the full article or not.
