Tips in Handling Awkward Questions

Author : ecxmlrpc

Date : December 5, 2012

There are several questions that can come up in a job interview that may be a little awkward for the job seeker. Knowing what types of questions that could be asked of them ahead of time will give them a chance to think of the best way to phrase the answer. Things such as why there are gaps in the resume history are common, as well as reasons for leaving former jobs.
