8 Tips for Job Hunting While You're Still Employed - CIO Magazine

Author : ecxmlrpc

Date : March 1, 2013

The recent studies and the new CIO magazine says that there are various tips for hunting for a job being still employed. However, balancing ones current job, family and job search can be exhaustive, and if not taken care of nicely, it will be a disaster. We need to make sure our current role can't be salvaged. It may be better to talk about that with the current boss, as the company may want to discuss remote working options.
